1. There is a new place in Me that no one has ever been to with Me: there at the center, yea them at the center, yea us not being apart from each other. There is a center part, there is the center part of which no man has gone/come to.

2. I see you do you see Me? I love you and I know you love Me.

3. I am not the God of the living but the God of the dead; not those who think they're living the highlife in their humanity, but the ones who have died in their flesh to see the Kingdom, and yea are dead to the attractiveness, the appeal, the siren call of the kingdom of the world. Blessed are they which die in the Lord and their work shall follow them and who shall know what this means and come into Me for all I am? Yea you the first not, the first.

4. And who will see Me and on My oceans fly and sing, yea waters of only Me beneath?

5. Come into My head/hand now you do/have/will/are, and yea seeing things unseen and unspeakable not, for you share all that I give you and now take you to, with all who care.

6. Discern, discern, discern; and yea discerning, you follow me not, but you establish a path yea no one has trod like you coming into Me now/do. I love you and I give you Me. I have given you all of Me and into Me you see and into Me you will see all, all Ted, all, triple all.

7. I love you and I give you Me and I thank you for coming and sharing Me with Me this day. On shores many I take you and points high and higher; highest yea yet coming. Watch Me. We all do. I love you.
Me.

8. Think it not strange the trials and the forecast of failure that others predict and gloom that they take refuge in day after day, but yea know My hand, My fullness, My artwork; imagery/fullness/delight, yea My hand in yours. Amen. This we do now together and alone; all comes so clear; crystal, crystal, crystal clear. Thank you.
